

Friends of Coolart are proud to present:

the Westernport and Peninsula
Protection Council video

JUMP INTO WESTERN PORT!

A beautiful and unique video journey into some lesser-known aspects of the Bay and surrounds.

Presenters include - Gidja Walker, Brian Thomas, Thomas McConville, Nicole Mertens

How was the bay formed?

What are phragmites and what do they do?

*Unique sea slugs, Port Jacksons, swell sharks,
pipefish and other marine life...*

How can we help to protect the bay?

Sunday July 16 - 2.00 - 4.00pm

Coolart observatory, Lord Somers Road, Somers. Afternoon tea available

Entry by donation (cash preferred) - Please RSVP
